President's Welcome

Rob Flockhart

Welcome to this year's Rugby Record. I hope you all have a successful and enjoyable season.

Everything you need to know about the 2016/17 season, including fixtures, rules and club contacts, can be found in this year's edition. For the latest club news, results and fixture information please go to scottishrugby.org where you will also find a range of resources on coaching, refereeing and playing.

It will be an honour to serve as the 126th President of the Scottish Rugby Union in what I believe will be a year of great progress.

More money than ever is being invested into the domestic game, thanks to the support of BT, and a range of initiatives to help clubs overcome off-field challenges and operate like small businesses are starting to make an impact.

We are at the half-way mark of the four-year £1.6 million Club Sustainability Fund. This has benefited 91 clubs so far and major facility projects which received funding from the first round have been completed ahead of this season.

The inaugural Club Development Conference at BT Murrayfield was a great success with people from over 100 clubs attending. Please make the most of initiatives like this and ensure your club utilises the support and resources available through Scottish Rugby. All at BT Murrayfield and those out in the field are here to help.

Volunteers are integral to the health of rugby – without them clubs wouldn't survive. Thank you to everyone who dedicates their time and energy into rugby whether that be through coaching, refereeing, serving on committees – every little bit helps.

Last season, Heriot's won the BT Charity Shield, the BT Cup and topped it off with the BT Premiership title. Murrayfield Wanderers claimed the BT Women's Premier League and the Sarah Beaney Cup for the second year in a row.

There's no doubt the quality of club rugby is improving and it's fantastic to see more women's teams being established across the country.

Congratulations to all who tasted success last year and good luck to everyone on what I'm sure will be an exciting season across all competitions.

Rob Flockhart

BT Welcome

Welcome again to the start of another new season following an excellent year for rugby and Scottish supporters.

It's hard to believe that we are now entering our third year of supporting Scottish Rugby, so much has been achieved in this time.

All four BT Sport Scottish Rugby Academies are now up and running with 95 young men and women being inducted in the first year.

Investment in grassroots rugby continues to rise and it's great to see clubs benefiting from the four-year, £1.6 million Club Sustainability Fund. At the half-way mark, 91 clubs have received funding with some major projects completed ahead of this season.

It's fantastic to see the investment that is being made in the game beginning to reap dividends in terms of participation and support; Scotland can be very proud of their performance in the Rugby World Cup, as can Scotland Women who improved during the Six Nations. The number of youth games have increased as a result of the new Schools and Youth Conference programme, we saw a record crowd for the 1872 Scottish Cup at BT Murrayfield and we can all be proud that Stuart Hogg was named player of the tournament in the RBS Six Nations.

I was delighted to present Annan with the BT Club of the Year award this season. Rugby sits at the heart of communities and this partnership builds on our commitment to the success of Scotland.

We wish everyone participating in the BT Leagues and Cups this season the best of luck.

THE SUPPORTERS
CLUB

For over three years BT Sport has been at the heart of unmissable sport. And thanks to BT Sport customers, The Supporters Club has been able to raise £5.5 million for charities that use sport to help disadvantaged young people.

Together we work to improve achievement in school, tackle exploitation and abuse, and increase skills, opportunities and employment, in the UK and around the world.

We are proud to support Scottish Rugby's "Game On Scotland" programme, getting young people in Glasgow and Edinburgh into education, training, employment.

Should clubs wish to play their match on the actual day of a home International match kick-off must take place no later than 2 hours before the kick-off of that International match.

International match days

Protocols for clubs, coaches & players

- (1) Home clubs are responsible for notifying match officials of the date, venue, kick-off time and team colours at least 72 hours before the game. Messages left on voicemail are not acceptable as confirmation – contact must be made with officials. Failure to notify a match official of a postponement prior to his arrival at the ground may result in the home club having to reimburse the referee's travel costs.
- (2) Home clubs are responsible for notifying visiting clubs of the date, venue, kick-off time and team colours at least 72 hours before the game. Visiting clubs should also be aware of the need to alert the opposition of any changes in colours.

(3) Clubs are responsible for the safety and wellbeing of match officials during the time they are at the club in question. Where possible, a referee liaison officer should be appointed by the home club.

(4) Clubs will submit their team sheet including replacements to the match officials and the opposition team manager or coach at least 30 minutes before kick-off indicating the replacement front-row players. Changes may be made up to kick-off time if a player is injured during warm-up.

(5) Clubs will ensure that technical areas are in place and the pitch is roped off. Both technical areas must be on the same side of the pitch either side of the halfway line. A maximum of six per team will be permitted within the technical area at any one time: 2 x coaching staff, 2 x medical staff and 2 x water carriers. Reserves and other team staff must remain in a designated area outside the playing enclosure.

(6) Premiership and National clubs will appoint a fourth official to all home games to control the technical areas and rolling substitutions. A nominated home club official or the appointed home touch judge for all other games will be responsible for controlling the technical areas and rolling substitutions.

(7) Players may not receive local anaesthetic on match day unless for suturing of bleeding wounds or for dental treatment administered by an appropriately qualified medical or dental practitioner.

(8) Coaching staff must remain within the confines of the technical areas at all times during play. Medical staff

and water carriers must abide by the Protocols for Persons entering the Playing Area (below).

(9) Coaches are encouraged to comment on the performance of the match officials by completing the "Report on Referee" form. Referees will hand out a form to each club's coach. Clubs can request a supply of report cards from Match Officials Operations Manager at Murrayfield.

(10) If coaches, players or club personnel wish to complain about the behaviour of match officials, the "Complaint on Behaviour of Match Officials" form should be completed and returned to BT Murrayfield for the attention of Referee High Performance Manager.

(11) After the match, coaches and players must refrain from discussing contentious issues emanating from the game with the match official until at least 20 minutes after the final whistle. Thereafter, all participants in the match are encouraged to discuss aspects of the game in particular the coach/captain/ referee/ assistant referee/ referee coach.

(12) Clubs are requested to provide the referee with a DVD of the game (if available). This will assist with match official development and help identify any concern a club coach may have regarding the referee's performance on the day.

Protocols for persons entering the playing area

(1) Up to two (2) medical staff are permitted to enter the playing area at any time to attend to injured players.

They must return to the technical area once they have completed the treatment of an injured player.

(2) Up to two (2) water carriers are permitted to enter the playing area to provide water.

(3) Water will be permitted to be taken during breaks in play (not during penalty kicks) including when tries have been scored but not in view or distracting to the goal kicker. Water carriers must return to the technical area after players have taken water and before the referee restarts play.

(4) At all other times, players must go to their designated technical zone to take water.

(5) Bottles must not be thrown on and off the pitch.#

Each match official agrees that:

1. They will contact the home club at least 48 hours before the match should the referees' secretary of that club fail to make contact.
2. They will make every effort to conform to the laws of the game, current guidelines and protocols. They will be physically prepared to act as a match official, if there is any doubt they should not undertake any such appointments until they have fully recovered.
3. If verbal abuse or other misconduct from a coach or other club official is such that it would

have resulted in a red card had it occurred on the field of play, the referee shall formally caution the individual and require them to leave the playing enclosure. This should be done without brandishing a card, the referees shall then submit a report to the Scottish Rugby/ Society Discipline Manager using www.whostheref.com. The Discipline Manager shall consider any such report and refer it to the discipline panel as appropriate. In all other cases i.e. where the referee considers the conduct to be abusive but not equivalent to a red card offence, the referee shall record the details of the incident and report it to the Referee Society Discipline Manager or the nominated deputy.

Championship matches.

5.8 Emergency Player Loan Scheme

5.8.1 Notwithstanding Rules 5.1, 5.2 and 5.3 and subject to all the requirements of Rule 5.8, in the event that a Club would otherwise be unable to fulfil a Match due to a short-term lack of suitably experienced front-row forwards that Club may take on loan no more than two front-row Players from other Clubs without any such Player being or becoming Registered with the Club for whom he will play on loan.

5.8.2 Playing on loan for a Club in accordance with this rule shall not mean a Player becomes registered to that Club.

5.8.3 Any Club making use of a Player on loan in a Match must notify the referee and the opposition Club of the name and Registration Number of the loaned Player at least 30 minutes in advance of the kick-off.

5.8.4 No Player may play on loan

in a Match for a Club which is in the same division as his Primary Club.

5.8.5 No Player may play on loan to the same Club in more than three Matches per Season or play on loan for more than two Clubs in any one Season unless on cause shown and with prior approval of the Championship Committee.

5.8.6 No Player who has already played for his Primary Club in more than eight National Competition Matches (excluding the Reserve League) or for a professional team in that Season may play on loan to a lower-placed Club unless on cause shown and with prior approval of the Championship Committee. For avoidance of doubt, Rule does not apply to a Player playing on loan to a higher-placed Club.

5.8.7 No Player may play on loan for a lower-placed Club in its final three National Competition Matches or later than quarter-finals of the Cup competition. For the avoidance of doubt, Rule 5.8.7 does not apply to a Player playing on loan to a higher-placed Club.

5.8.8 The onus is on the Club making use of a Player on loan to ensure compliance with this Rule 5.8. Any Club found to have played a Player outwith the provisions of Rule 5.8 may be penalised subject to the sanction provisions set out in Rule 5.5.

5.8.9 For the avoidance of doubt, NCR 5.2.4 shall take precedence over NCRs 5.8.4 to 5.8.7.

6. Clubs Disqualified, Suspended Or Withdrawing

6.1 In the event of a Club being disqualified or suspended or a Club voluntarily withdraws from a National League Competition after the start of the Season, the results of all Matches played by that Club shall be deleted and the positions in that division shall be established from the Matches played between the remaining Clubs.

6.2 If the deletion of a Club's results in accordance with Rule 6.1 and the subsequent revised positions in the division have a direct effect on promotion or relegation of a Club which has already completed its full programme of fixtures, the Championship Committee (or, where appropriate, a Regional Competitions Committee) may make such arrangements as it deems appropriate to best resolve promotion and relegation.

7. Team Colours

Clubs must ensure that they avoid a clash of team colours (jersey and/or socks). The Match referee is the sole judge of whether colours clash. When necessary, it shall be the responsibility of the home Club to change. Clubs changing from normal colours (as defined in the Scottish Rugby Record) must advise the opposition and allocated match referee at least 72 hours before the match. For the finals in knock-out competitions the home Club shall be decided by the order of the semi-final draw.

8. Fitness Of Grounds Or Condition Of Pitch

8.1 The Pitch

8.1.1 The onus shall be on the home Club to provide a suitable Pitch complying with World Rugby Law 1.

8.1.2 For all Matches it shall be compulsory for all Clubs to provide adequate padding round the goalposts conforming to World Rugby Law 1.4(d).

8.2 Fitness of Ground or Conditions for Play

8.2.1 Where there is doubt, immediately before kick-off in a Match, determination of the fitness of the ground or the conditions for play shall lie only with the team captains and the referee.

8.2.1.1 The referee will inspect the pitch either alone or with assistant referees appointed to the match by Scottish Rugby or appropriate referee society. The referee will not disclose his decision to either club immediately after his inspection.

8.2.1.2 After the team captains have inspected the pitch, they will inform the referee of their opinion of its state of fitness for play. The referee will then inform the captains of his opinion on the fitness of the pitch. If any one of these three persons deems the pitch to be unplayable the Match will be postponed. The captains will notify their clubs of the decision.

8.2.1.3 The home Club, within 48 hours of the decision not to play the Match, will be responsible for advising the Championship Committee (or other relevant committee) as to why that Match was not fulfilled. The relevant committee will then seek further information per the provisions of NCR 13 (Obligation) in order to decide whether a complaint is to be raised against either or both of the Clubs.

8.2.2 In the event of any doubt over the fitness of the ground and a joint inspection by both team captains is not reasonably practicable, the following arrangements should wherever reasonably practicable be made:

8.2.2.1 If a postponement is considered possible, advance warning must be given to the visiting Club, preferably 24 hours' notice or as near to 24 hours as is reasonably practicable, and the visiting club must be advised of potential alternative arrangements.

8.2.2.2 At this time the home Club shall establish the visiting Club's departure time and a confirmed point of contact immediately before that departure time. If the pitch is doubtful at that time and the visiting Club agree to travel then the home Club must make regular contact during the visiting Clubs' journey to provide updates on the pitch condition.

8.2.2.3 An independent assessment on the day of the

match should be made either by the intended Match referee or, if not reasonably practicable, by another independent person such as a local referee, referee coach/ assessor, Scottish Rugby official or an official from another Club. This assessment is to be made 30 minutes before the visiting Club's intended departure time and the result communicated to the visiting Club and, where appropriate, the Match referee. If this procedure is not carried out by the home Club, the visiting Club shall have the right to make its own arrangements for an independent inspection. If an independent inspection declares a ground playable and the home Club postpone the fixture, the Championship Committee reserves the right to apply sanctions to the home Club, including under the terms of the relevant Regulation in relation to non-fulfilment of fixtures.

8.2.2.4 If the Match referee calls off a fixture, he should communicate that decision to the Championship Secretary without delay.

8.2.3 Where a Club does not own or have rights over its ground and a ground is declared unplayable by the person or organisation which owns or has rights over the ground, written evidence of such decision must be obtained and made available to the Championship Secretary on request.

8.3 Procedures relating to Postponement

In all National Competitions the following will apply:

8.3.1 In the event of a first postponement of a fixture there will be no onus on the home club to seek to play at an alternative venue. If a club wishes to play at an alternative venue it can do so, though only with the opposition's agreement. If the postponement is in the first half of the season and the fixture is a league match, then with the consent of the opposition the fixture may be reversed. The Championship Secretary must be advised by no later than 2.00pm on the day preceding the fixture of any agreed change of venue.

8.3.2 In the event of a second or subsequent postponement of the same fixture the fixture must be played at the opposition's pitch if that pitch is playable. In the event that the fixture is played at the opposition's pitch the opposition will be responsible for the travel costs of the playing squad, coaches, management and medical support staff of the club who would have otherwise have been playing at home. For the avoidance of doubt such costs will be no greater than the cost of a coach hire for the return journey but could be calculated at a rate of 45 pence per mile from venue to venue if private transport is utilised, providing that the cost incurred will not exceed the cost of hiring a coach. If there

is any dispute regarding the cost of coach hire then the matter will be referred to the Championship Committee for resolution, and the decision of the Championship Committee will be final in that regard and not subject to appeal. If the opposition venue is unplayable or unavailable the Championship Committee may direct where and when the match should be played.

8.3.3 The home club will be obliged to contact the opponents by no later than 72 hours before the kick-off in any fixture to discuss whether any of the contingency plans referred to in 8.2.2 above require to be considered. At that time agreement must be reached by the clubs as to when any final decision will be made regarding the location of the match. That final decision must be taken no later than 1.00pm on the day preceding the fixture.

8.3.4 If the procedures laid out in NCR 8.3 are not followed, the Championship Committee reserves the right to apply sanctions to either or both clubs, including a formal reprimand and warning as to future conduct and/or the deduction of up to five league points and/or disqualification from the relevant competition and/or forfeiture of a proportion of the club's participation money up to the maximum of that as appropriate. In a Cup competition the Championship Committee

reserves the right to award the match to the non-defaulting team and if that match is part of a league format to award four league points to the non-defaulting team.

8.3.5 In the event of a club making repeated postponements because of ground conditions, the Championship Committee reserves the right to insist that, for future National Competition fixtures, the club has on permanent stand-by a suitable alternative venue, which must be available. The Championship Committee also reserves the right in these circumstances to direct where and when any match should be played.

9. Replacements/Substitutes

9.1 In all Matches the maximum permitted number of replacements shall be seven. This limit may be further restricted within the regulations for specific competitions. Clubs are reminded of the requirements of World Rugby Law 3.5 when naming substitutes/replacements.

9.2 In accordance with World Rugby Law 3.13 the maximum number of rolling substitutions in any Match must not exceed 12. The 15-minute limit on temporary replacements in Law 3.10(a) does not apply to rolling substitutions.

9.3 No Player can be included in two squads for Matches which are being played either concurrently or overlapping.

10. Half-Time Interval

The half-time interval in a Match shall normally be five minutes. However, the length of the interval in any Match may be altered by the Clubs and notified to the Match referee before kick-off, but it shall not be more than 15 minutes.

Any host Club wishing to retire to covered accommodation at half-time must offer an equivalent facility to the opposition.

11. Notification Of Results

Referees shall be responsible for promptly notifying the results and scores in Matches to the Championship Secretary through the referees' results facility on the referee allocation website.

12. Laws Of The Game

In all Matches, except where a Scottish Rugby Bye-law or National Competition Rule provides otherwise, the Laws of the Game of Rugby Union, as specified from time to time by the World Rugby, shall apply. Scottish Rugby subscribe to the use of red and yellow cards (Law 10.6).

13. Obligation

13.1 All of the Clubs participating in a National Competition shall be obliged to comply with all Rules and Regulations as made by the Board relating to the relevant competition. For the avoidance of any doubt it shall be the responsibility of the Clubs participating in National Competitions to ensure compliance with all the said Rules and Regulations by its players and officials.

13.2 The Championship Committee and associated Competitions Committees shall

have the right to consider initiating an investigation when a potential infringement of the National Competition Rules and Regulations has been identified by the relevant Committee or has been reported to the relevant Committee in a complaint by a Club or another appropriate body within Scottish Rugby. Such complaint must be submitted to the appropriate committee within 14 days of the alleged infringement and shall be valid for consideration only if it is submitted by the President or Secretary of a Club or by an equivalent officer of an appropriate body; however, the time allowed for submission of a complaint may be reduced by the Committee if necessary to prevent possible delay in scheduling fixtures. The relevant Committee shall have the right to decide in each case what is an appropriate body.

13.3 In the event that the Championship Committee determines to investigate whether a Club has or has not complied with the National Competition Rules and Regulations then the Championship Committee will give notice to the Club that such an investigation is to take place. At the same time the Championship Committee will provide the Club with details of the alleged contravention and the possible consequences for the Club if the contravention is established. The Club will be given seven days in which to make any written representation to the Championship Committee and to

provide any written documentation upon which they intend to rely or which the Championship Committee has asked them to produce. Upon completion of the investigations the Championship Committee will forward any other information or documentation uncovered in the course of its investigation to the Club, and the Club shall have 48 hours in which to make any further representations they deem appropriate to the Championship Committee. The Club will thereafter give notice to the Championship Committee whether it is content that the Championship Committee should decide upon the matter under investigation on the basis of the documentation and correspondence produced or whether they wish to appear at a formal hearing. A minimum of 48 hours' notice will be given of the date and time of any formal hearing so assigned, and a Club shall be entitled to be represented by up to two people at said hearing, one of whom must be a member of the Club.

13.4 On cause shown, the Championship Convenor, with the consent of the Chairman of the National Competitions Appeal Panel, can extend or shorten any time limit mentioned in NCR 14, either on application by a party or at his own behest. Such decisions are not appealable.

13.5 Should the Championship Committee hold that the breach of the Rules and Regulations has been established or that the Club has failed without good reason

to respond to any requests made of them by the Championship Committee, the Club shall be liable to sanction by the Championship Committee. This shall include a reprimand and warning as to future conduct or the deduction of up to five league points per established breach and/or a financial penalty up to and including the full amount of any participation money that the Club may be entitled to and/or disqualification and/or and suspension from any National Competition. The Championship Committee shall also, if considered appropriate in the circumstances and in the interests of the Game, be entitled to declare the result of a Match null and void and to order that the fixture be replayed at a time and venue determined by the Championship Committee.

13.6 Any sanction imposed by the Championship Committee under the Rules and Regulations shall come into effect upon a date specified by the Championship Committee; this could be with immediate effect or at a date in the future which could be at the commencement of the following season, or the sanction could be suspended for such period as the Championship Committee deems appropriate to allow the Club to demonstrate future compliance with the Rules and Regulations.

13.7 If it becomes apparent during the course of an investigation by or on behalf of the Championship Committee under the National Competition Rules

and Regulations, or subsequent to such an investigation, that any club or representative or player of a club appears to have misled the Championship Committee or the National Competition Appeals Panel in any way in relation to that investigation or has brought into the public domain (by any means whatsoever) matters which are factually inaccurate in relation to such an investigation, then the club and/or the representative and/or the player may, at the discretion of the Championship Committee, be referred to the Scottish Rugby Discipline Panel.

13.7.1 In the event of such a complaint being upheld by the Discipline Panel then such sanction as is deemed appropriate by the Discipline Panel may be imposed on the club including a formal reprimand and warning as to future conduct and/or deduction of participation money up to all sums due to the club and/or deduction of up to five championship points and/or disqualification from competition.

13.7.2 If the party being investigated is a representative of a club or player then the penalties that may be imposed on the representative or player include a formal reprimand and warning as to future conduct and/or a fine not exceeding the amount of participation money that the related club of the individual may be entitled to and/or disqualification from participation in the game of

rugby for such period as the Discipline Panel thinks fit.

13.7.3 For the avoidance of doubt, an investigation can be carried out against the club, representative and player at the same time, and sanctions can be applied to all three.

13.8 For the avoidance of any doubt, any reference to decisions of the Championship Committee includes decisions made by the Championship Convenor, Championship Secretary and/or other bodies or individuals appointed in accordance with the Rules and Regulations.

14. Appeal Procedure

14.1 Scottish Rugby shall establish a National Competition Appeals Panel (the "Appeals Panel") to whom any Club entitled by the provisions of this rule may appeal a decision of the Championship Committee including decisions delegated to the Championship Convenor, Championship Secretary and/or other bodies or individuals appointed to assist with the organisation of specific competitions.

14.2 The Chairman and members of the Appeals Panel shall be appointed by the Board and shall not be members of the Championship Committee or the body making the decision appealed against. All members must have suitable (in the exclusive opinion of Scottish Rugby) rugby experience. The Chairman shall be a legally qualified solicitor or advocate in Scotland of at least five

years' standing. The Appeals Panel will comprise when sitting of the Chairman plus a minimum of two and a maximum of three others selected by him from the panel appointed by Scottish Rugby. If the Chairman of the Appeals Panel is unable to sit for whatever reason he may appoint an ad hoc Chairman in his place. Such ad hoc Chairman shall be legally qualified and have suitable rugby experience as aforesaid. No person, including a Chairman, who is a member of an appellant Club or any other Club with an interest (other than such a general or common interest represented by some incidental benefit accruing to Clubs in a division and arising from a sanction applied to another Club) in the appeal may take part in such an appeal. All decisions of the Appeals Panel shall be made by majority. No member of the Appeals Panel may abstain. The Chairman shall have a casting vote in the event of a split decision by a panel of four including the Chairman but otherwise shall have a deliberative vote only.

14.3 The decisions which may be appealed against by a Club pursuant to this Rule 14 are, subject to the provisions of this Rule, any decision of the Championship Convenor, Championship Secretary and/or other body or individual appointed to assist with the organisation of specific competitions which imposes a sanction on that Club. For the avoidance of doubt (a) no Club may appeal in respect of any sanction imposed on or other decision made concerning another Club and (b)

no appeal may be brought against an operational decision in the running of a National Competition, notwithstanding that the effect of such decision could impact financially on the Club. The only grounds of appeal against a decision are:

14.3.1 the decision of the Championship Convenor, Championship Secretary and/ or other body or individual appointed to assist with the organisation of specific competitions was unduly harsh or oppressive or.

14.3.2 the Championship Convenor, Championship Secretary and/ or other body or individual appointed to assist with the organisation of specific competitions misdirected itself in the application (but not the interpretation, which matter is exclusively for the Championship Convenor, Championship Secretary and/ or other body or individual appointed to assist with the organisation of specific competitions whose decision thereon shall be conclusive and binding on all parties) of the Laws of the Game and/ or the National Competition Rules or

14.3.3 there has been a breach of natural justice or

14.3.4 the Championship Convenor, Championship Secretary and/ or other body or individual appointed to assist with the organisation of specific competitions reached

a decision which no reasonable Championship Convenor, Championship Secretary and/ or other body or individual appointed to assist with the organisation of specific competitions would have reached.

14.4 Any Club wishing to appeal against a decision of the Championship Committee, Championship Convenor or Championship Secretary and/ or other body or individual appointed to assist with the organisation of specific competitions, in accordance with Rule 14, must lodge a note of appeal with the Appeals Panel Secretary within seven days of the decision appealed against and must intimate at the same time a copy of that notice of appeal to the party whose decision is the subject of the appeal. The note of appeal must be in writing and must be signed by an office-bearer of the Club. The note of appeal must contain the following:

- (a) the name of the party making the appeal and the office held by the person signing the note of appeal;
- (b) the decision appealed against, including the details of the party who made the original decision, the date of the decision and any sanction imposed;
- (c) the full grounds of appeal having regard to the terms of rule 14.3; and
- (d) any documentation upon which they intend to rely in relation to the appeal.

No appeal shall proceed if a note of appeal is not so lodged, unless upon application the Appeals Panel Chairman considers that sufficient cause has been shown to allow any dispensation with any part of this rule.

14.5 The Appeals Panel Secretary shall, within 48 hours of receiving an appeal, intimate the note of appeal to the party against whom the appeal is taken and provide that party with seven days in which to respond to any matters contained within the note of appeal; any response lodged must be intimated by the Appeals Panel Secretary to the appellant party within 24 hours of receiving same.

14.6 The Appeals Panel Secretary shall thereafter consult with the Appeals Panel Chairman and set a time date and place for the hearing of the appeal which shall be notified by the Appeals Panel Secretary to the appellant party and the party who made the original decision; such notification must give at least seven days' notice of the time and place of the hearing unless the urgency of the situation dictates that a shorter period of notice should be given. An appellant may request a postponement of any hearing assigned on cause shown. The decision to grant such a postponement or not shall be the matter for the discretion of the Appeals Panel Chairman in consultation with the Appeals Panel Secretary, and no appeal will lie from Appeals Panel Chairman's decision. Such a postponement may be granted on one occasion only.

14.7 No appeal shall be decided upon grounds not contained within the note of appeal lodged by the appellants. The Appeals Panel may, on cause shown, allow further grounds of appeal to be stated providing that the party who made the original decision is given an opportunity, within a reasonable time, to answer same.

14.8 The Appeals Panel shall have power to regulate its own procedure, subject to compliance with National Competition Rules and Regulations. The appellant and the party who made the original decision shall have the right to be present at the appeal hearing. The appellant club may be represented by up to two persons, one of whom must be a member of that club. The Appeals Panel shall have full discretionary powers to call for and consider such evidence as it thinks appropriate. Where evidence is given before the Appeals Panel, there shall be no cross-examination of witnesses except through the Chairman to the extent that the Appeals Panel in its discretion permits. The deliberations of the Appeals Panel shall be in private.

14.9 Having heard such evidence considered appropriate by the Appeals Panel, and any submission made by or on behalf of the appellant Club, the Appeals Panel may decide to:

- 14.9.1 affirm the decision of the Championship Convenor, Championship Secretary and/ or other body or individual

appointed to assist with the organisation of specific competitions; or

14.9.2 uphold the appeal by setting aside the decision appealed against and quashing any sanction imposed by the Championship Convenor, Championship Secretary and/ or other body or individual appointed to assist with the organisation of specific competitions; or

14.9.3 uphold the appeal in part by setting aside part only of the decision appealed against and/ or modify any sanction imposed; or

14.9.4 refuse the appeal and increase the sanction imposed by the Championship Convenor, Championship Secretary and/ or other body or individual appointed to assist with the organisation of specific competitions; or

14.9.5 defer consideration of the appeal for such period not exceeding six weeks pending receipt of information, evidence or clarification from the Championship Convenor, Championship Secretary and/ or other body or individual appointed to assist with the organisation of specific competitions or from a person not present at the appeal hearing; or

14.9.6 stay a decision of the Championship Convenor, Championship Secretary and/ or other body or individual appointed to assist with

the organisation of specific competitions pending the consideration of such further information etc. as is mentioned in Rule 14.9.5 above and final determination of an appeal; or

14.9.7 take any step which in the exercise of its discretion the Appeals Panel considers it would be appropriate to take in order to deal justly with the appeal.

14.10 The decision of the Appeals Panel shall be advised by the Appeals Panel Secretary to the secretary of the appellant Club as soon as reasonably practicable after the conclusion of the hearing. Where it considers it appropriate, the Appeals Panel may deliver an oral decision at the conclusion of the hearing. A written statement giving reasons for a decision of the Appeals Panel shall be given if so requested by the appellant Club immediately on the conclusion of the hearing or if the Appeals Panel so decide, The Championship Committee or the Appeals Panel may make public in the national press or otherwise its decisions and the identity of the Club or Clubs concerned.

14.11 The decision of the Appeals Panel shall be final and binding on all concerned.

15. NOTICES

Any notice served pursuant to the Rules and Regulations shall be in writing and shall be delivered by email, facsimile or first-class post. All notices shall be deemed, until the contrary proved, to have been received (a) on the date of receipt if sent by email, (b) on the

date of successful transmission if sent by facsimile, or (c) within 24 hours if sent by first-class post; all addressed appropriately to the secretary of the club or the secretary of the body who either made the decision or whose decision is subject of appeal or the secretary of the appeals panel.

16. Exceptional Circumstances

16.1 In the case of exceptional circumstances the Championship Committee, with the prior approval of the Board, shall have the discretion to decide on matters not provided for in (and in the interpretation of) the National Competition Rules and Regulations and at its discretion to decide on and take action on all matters not provided for or upon which interpretation is required in the National Competition Rules and Regulations. For the avoidance of doubt, this discretion shall include the interpretation of these National Competition Rules and Regulations in accordance with the underlying principles and intent (insofar as it can be ascertained) of the relevant regulation and the interests of the Game.

16.2 The Championship Committee may, on cause shown, relieve a club from the consequences of failure to comply with a provision in the Rules and Regulations which is shown to be a mistake, oversight or other excusable cause on such conditions as the Championship Committee thinks fit.

16.3 The Championship Committee's decision(s) in respect of those matters referred to in Rules 16.1

and 16.2 above is final and binding save for any Club's right to appeal or review or such other rights of appeal or review as may be reserved.

17. Revision

These National Competition Rules and Regulations shall be subject to periodic review and may, from time to time and subject to the approval of the Board, be amended by the Championship Committee.

Premiership And National League Regulations 2016/2017

1. Composition Of The Premiership And National League

1.1 The Premiership and National League will comprise:

1.1.1 the Premiership, to be contested by 10 Clubs in one division; and

1.1.2 the National League, to be contested by 36 clubs in three divisions, each of 12 Clubs.

1.2 The Premiership shall be played in two stages.

1.2.1 In Stage 1 each Club shall play every other Club in the division in two matches per Season on a home-and-away basis.

1.2.2 In Stage 2 the Clubs finishing in first to fourth places in Stage 1's league table will contest a knock-out play-off to decide the Premiership winners. In the first round of the play-off the Clubs placed first and second in Stage 1 will play at home against the Clubs respectively placed fourth and third. Thereafter a Final will be contested by the winners in the first round of the play-offs. The home Club in the final will be the Club placed higher in the league table at end of Stage 1. If the scores are level after 40 minutes of play each way in any of the three play-off Matches then the provisions for extra time defined in Cup, Shield and

Bowl Regulations 8.1, 8.2 and 8.3 (Drawn Matches) will apply.

1.3 In each division of the National League each Club shall play every other Club in two matches per Season on a home-and-away basis.

1.4 The final placings in the Premiership and National League divisions, the Clubs to be promoted to and relegated from those divisions, and the composition of those divisions in the succeeding Season shall be in accordance with lists issued on behalf of Scottish Rugby by the Championship Secretary at the end of each Season.

1.5 The structure of the Premiership and the National League and the number of Clubs playing in each division in each subsequent Season shall not be changed without a full playing Season's notice being given to Clubs by Scottish Rugby. Such notice must be accompanied by appropriate details of how the new structure will be effected through revised promotion and relegation.

2. Competition Points

In all Premiership and National League Matches, four points shall be awarded for a win and two points shall be awarded for a draw ("**Match Points**"). In addition, one bonus point shall be awarded to a Club scoring four or more tries and one bonus point shall be awarded to a losing Club which finishes within seven points or fewer of the points scored by the winning Club ("**Bonus Points**").

3. Champions, Promotion And Relegation

3.1 At the end of the Season,

3.1.1 The Club winning the Premiership Final, as defined in Regulation 1.2.2, will be Scottish Champions.

3.1.2 The Club finishing last in the Premiership's Stage 1 league table will be relegated to the National League's Division 1.

3.1.3 The Club finishing at the top of the National League's Division 1 table will be promoted to the Premiership.

3.1.4 The Club finishing ninth in Stage 1 of the Premiership and the Club finishing second in the National League's Division 1 will meet in a play-off Match at a neutral venue on a date and at a time to be arranged by the Championship Secretary. The winner of the play-off will play in the following Season's Premiership and the loser will play in National League Division 1. If the scores are level after 40 minutes of play each way in the play-off Match then the provisions for extra time defined in Cup, Shield and Bowl Regulations 8.1, 8.2 and 8.3 (Drawn Matches) will apply.

3.1.5 The two Clubs finishing in first and second places in each of the National League's Divisions 2 and 3 will be promoted to the respective Divisions 1 and 2.

3.1.6 The two Clubs finishing in eleventh and twelfth places in each of the National League's

Divisions 1 and 2 will be relegated to the respective Divisions 2 and 3.

3.1.7 The three Clubs finishing in tenth to twelfth places of the National League's Division 3 will each be relegated to the appropriate Regional League (Caledonia or East or West).

3.1.8 The Club finishing in first place in each of the three Regional Leagues (Caledonia, East and West) will be promoted to National League Division 3, as provided by Regional League Regulation 3.1.

3.2 In the event of either the number of Clubs in any division in future Seasons falling short or any revision of the National Competition structure, right is reserved to the Championship Committee to adjust promotion and relegation to restore the number of Clubs in each division to the appropriate level. Normally, within the National Competitions, any vacancy arising before the Scottish Rugby annual general meeting immediately preceding the Season in question shall be filled by an additional Club being promoted before one Club fewer is relegated. In the event of an additional Club requiring to be promoted from the Regional Leagues to the Championship, that additional Club will be promoted from the Regional League of the withdrawing Club's region.

4. Methods of Deciding Placings in a Division, Promotion or Relegation in Case of Points Equality

4.1 In the event of Clubs in a division being equal in league points gained, placings shall be determined ranked on a descending basis according to their respective differences between "points for" and "points against" with the Club with the greater or greatest such difference being placed higher or highest.

4.2 Should Regulation 4.1 above fail to separate Clubs then the aggregate score over the Premiership or National League fixtures between the Clubs that Season shall decide between them.

4.3 In the event that none of the above can determine which of two Clubs should be placed the higher and an issue of promotion or relegation or a division title depends on their respective rankings then a play-off match will be arranged at a neutral venue. The date, kick-off time and venue of such play-off match shall be arranged by the Championship Secretary. If the scores are level after 40 minutes of play each way in such play-off, extra time will be played as defined in Cup, Shield and Bowl Regulations 8.1, 8.2 and 8.3 (Drawn Matches).

5. Non-Fulfilment of Fixtures and Deduction of League Points

5.1 No Club shall, without just cause, fail to fulfil its fixture obligations in respect of a Match on the date and time appointed for such fixture. It shall be for the

Championship Committee to determine whether or not just cause exists.

5.2 In the event that a Club shall so fail to fulfil a fixture on a date notified, the Championship Committee may award the league points to either Club or divide the league points between the Clubs or decide that no league points shall be awarded and order that the match be replayed in accordance with National Competition Rule 4. The Championship Committee will also have the authority to impose sanctions as defined in National Competition Rules 3.4 and 13.4. The Championship Committee will also have the power to suspend such sanction to allow for the Club to demonstrate future compliance with the Rules and Regulations.

5.3 In the event of a Club not fulfilling a fixture and the opposition Club incurring unnecessary expense, the offending Club may be liable to a financial penalty which shall be deducted from the Club's financial distribution from the Scottish Rugby the following Season. Any such penalty shall not exceed £1,800 per match and shall be used to reimburse the non-offending Club all or some of the costs actually incurred for the unplayed match. Suitable evidence of these costs must be submitted along with a written claim for reimbursement to the Championship Secretary within 28 days of the date of the match in question.

5.4 Any Club which, in the same Season, fails to fulfil more than two National Competition fixtures will have its case considered by the Championship Committee who will have the power to disqualify and automatically relegate the Club.

5.5 In the event of Regulation 5.4 applying to a Club for a second consecutive Season, the Club may be suspended from participation in any or all National Competitions and remain so suspended until the Championship Committee determines otherwise.

6.3 For the purpose of this Regulation 6, a Club may request the match referee to delay the kick-off to enable it to achieve a full side of 15 players at kick-off, where some or all of the Players have been unavoidably delayed, but no Match may be delayed by such time as would mean that the Match could not be completed in good time, the match referee being the sole judge in this regard.

7. Replacements/Substitutes

7.1 The number of replacements and substitutes in league Matches shall be as follows: Premiership and National League Division 1: the number of permitted replacements for each Club shall be not more than five and not fewer than four.

For the avoidance of doubt, the requirement for suitably trained front-row players will be deemed to have been complied with notwithstanding that those suitably trained front-row players may have commenced the match playing in different positions.

7.4 World Rugby Law 3.15 (Rolling Substitutions) also shall apply. The number of substitutions for each Team must not exceed 12 in a Match.

1.1.2 The East Regional League, to be contested by Clubs in the region in a league format to be decided by the East Regional Competitions Committee.

1.1.3 The West Regional League, to be contested by Clubs in the region in a league format to be decided by the West Regional Competitions Committee.

1.2 Division 1 in each Regional League shall comprise 10 clubs. The format of each lower division, though normally comprising a maximum of 10 clubs, shall be defined by the appropriate Regional Competitions Committee.

1.3 The final placings in the divisions in the Regional Leagues, the Clubs to be promoted to and relegated from those divisions and the composition of those divisions in the succeeding Season shall be in accordance with lists issued on behalf of Scottish Rugby by the Championship Secretary at the end of each Season.

2. Matches And Season

2.1 In Caledonia 1, East 1 and West 1, each Club shall play every other Club in the same division in two Matches per Season on a home-and-away basis. The formation and organisation of all leagues below the Regional Leagues Division 1 will be arranged by the appropriate Regional Competitions Committee.

2.2 In all Matches, four points shall be awarded for a win and two points shall be awarded for a draw ("Match Points"). In addition, one bonus point shall be awarded to a Club scoring four or more tries and one bonus point shall be awarded to a losing Club which finishes within seven points or fewer of the points scored by the winning Club ("Bonus Points").

3. Champions, Promotion And Relegation

3.1 The first-placed Club in Division 1 of each of the three Regional Leagues will be promoted to National League Division 3.

3.2 The first-placed Club in each Regional League's Division 2 will be promoted to Division 1.

3.3 Promotion and relegation between Divisions 1 and 2 and between lower divisions may be further adjusted by the Regional Competitions Committee as provided in Regulations 3.4 and 3.5 below and also taking account of the number of Clubs, if any, relegated from National League Division 3 as defined in Premiership and National League Regulation 3.1.7.

3.4 A Club's second and lower XVs may play in the Caledonia Regional League's second and lower divisions. These reserve XVs cannot be promoted to that Regional League's first division.

3.5 Before the start of each season, promotion and relegation between each Regional League's second and lower divisions at the end of that season will be determined by the appropriate Regional Competitions Committee.

3.6 In the event of either the number of Clubs in any division in future Seasons falling short or any revision of the National League Competition structure, right is reserved to the relevant Regional League Committee to adjust promotion and relegation to restore the number of Clubs in each division to the appropriate level. Normally, within the National League Competition, any vacancy arising before the Scottish Rugby annual general meeting immediately preceding the Season in question shall be filled by an additional Club being promoted before one Club fewer is relegated. In the event of an additional Club requiring to be promoted from the Regional Leagues to the National League, that additional Club will be promoted from the Regional League of the withdrawing Club's region.

3.7 In the event that, after promotion and relegation, the number of Clubs in a Regional League division shall be odd, Regulation 3.5 shall be applied to

increase the number of Clubs in that division to an even number for the following Season.

4. Methods Of Deciding Placings In A Division, Promotion Or Relegation In Case Of Points Equality

4.1 In the event of Clubs in a division being equal in league points gained, placings shall be determined ranked on a descending basis according to their respective differences between "match points for" and "match points against" with the Club with the greater or greatest such difference being placed higher or highest.

4.2 Should Regulation 4.1 above fail to separate the two Clubs then the aggregate score over the two League fixtures between the Clubs that Season shall decide between them.

4.3 In the event that none of the above can determine which of two Clubs should be placed the higher and an issue of promotion or relegation or a championship title depends on their respective rankings then a play-off match will be arranged at a neutral venue. The date, kick-off time and venue of such play-off match shall be arranged by the appropriate Regional Competitions Committee Secretary.

4.4 If the scores are level after 40 minutes of play each way in such play-off, extra time will be played as defined in Cup, Shield and Bowl Regulation 8 (Drawn Matches).

5. Non-Fulfilment Of Fixtures And Deduction Of League Points

5.1 No Club shall, without just cause, fail to fulfil its fixture obligations in respect of a Match on the date and time appointed for such fixture. It shall be for the Regional Competitions Committee to determine whether or not just cause exists.

5.2 In the event that a Club shall so fail to fulfil a fixture on a date notified the Regional Competitions Committee may award the points to either Club or divide the points between the Clubs or decide that no points shall be awarded and order that the match be replayed in accordance with National Competition Rule 4. The Regional Competitions Committee will also have the authority to impose sanctions as defined in National Competition Rules 3.4 and 13.4. The Regional Competitions Committee will also have the power to suspend such sanction to allow for the Club to demonstrate future compliance with the Rules and Regulations.

5.3 In the event of a Club not fulfilling a fixture and the opposition Club incurring unnecessary expense, the offending Club may be liable to a financial penalty which shall be deducted from the Club's financial distribution from Scottish Rugby the following Season. Any such penalty shall not exceed £1,800 per match and shall be used to reimburse the non-offending Club all or some of the costs actually incurred for the unplayed match. Suitable evidence

of these costs must be submitted along with a written claim for reimbursement to the Championship Secretary within 28 days of the date of the Match in question.

5.4 Any Club which, in the same Season, fails to fulfil more than two National Competition fixtures will have its case considered by the relevant Regional Competitions Committee who will have the power to disqualify and automatically relegate the Club.

5.5 In the event of Regulation 5.4 above applying to a Club for a second consecutive Season, the Club may be suspended from participation in all or any National Competitions and remain so suspended until the Championship Committee determines otherwise.

5.6 The relevant Regional Competitions Committee shall have absolute discretion in regard to the deduction of championship points.

6.2 In the Regional League divisions not referred to in Regulation 6.1 above, a Match may be played with fewer than 15 players, subject to compliance with World Rugby Law 3.3 (at least five players in the scrum at all times). In Matches organised

under the auspices of any of the Regional Competitions Committees, if a Club competes in a Match with fewer than 15 players but with at least 12 players, the Match shall be declared as fulfilled.

6.3 In the Regional League divisions not referred to in Regulation 6.1 above, a Match may start with uncontested scrums subject to compliance with World Rugby Laws 3.3 (at least five players in the scrum at all times) and 3.5(b) (the Club requesting uncontested scrums cannot include replacements in the match squad). The Club requiring to start a Match with uncontested scrums must advise the opposition and the referee as soon as practically possible, though no later than 30 minutes before kick-off in that Match. That Club must also advise the appropriate Regional Competitions Committee as soon as practicably possible, though no later than 48 hours after the kick-off in that Match.

6.4 Except as provided in NCR 5.2.4, any Player named in the starting XV for his Club in a first-team Match in a National Competition or for a professional team will be ineligible to participate in each subsequent second-team match for his Club in the East and West Regional Leagues until his Club has a concurrent first-team Match. This rule shall apply even if that concurrent first-team Match is postponed regardless of the reason. The restrictions in this Regulation 6.4 shall not apply to any Player whose appearances in all National

Competition Matches for his Club in that Season include fewer than 50% in which he has started in his Club's first team. For the avoidance of doubt, the restrictions in this Regulation 6.4 shall not apply in the Caledonia Regional League's Division 2 and lower divisions.

6.5 Any Match played in which a Club does not comply with Regulations 6.1, 6.2 and 6.3 above shall not count as a Match. The Match shall be declared not-fulfilled, and Regional League Regulation 5 shall apply.

6.6 For the purpose of this Regulation 6, a Club may request the referee to delay the kick-off to enable it to achieve a full side at kick-off where some or all of the Players have been unavoidably delayed, but no Match may be delayed by such time as would mean the Match not being able to be completed in good time, the referee being the sole judge in this regard.

6.7 The Under 19 Variations to the scrum (World Rugby Laws 20.1 (e), 20.9 (j) and (k), and 20.11 (a)) shall apply below Division 3 in the Caledonia Regional League. For the avoidance of doubt, except where Regulation 6.3 above applies, full scrummaging (World Rugby Law 20 except 20.13) shall be played in all Divisions of the East and West Regional Leagues and Divisions 1 to 3 in the Caledonia Regional League.

7. Replacements/Substitutes

7.1 In all league Matches between Clubs in Division 1 of any of the Regional Leagues, the maximum permitted number of replacements shall be four.

7.2 In all league Matches between Clubs in any Regional divisions below Division 1, the maximum permitted number of replacements shall be seven.

7.3 In Regional League Matches there is no requirement for there to be parity between the two competing clubs as to the number of replacements.

7.4 The requirements of World Rugby Law 3.5 (The Front Row - Replacements and Substitutes) shall apply when naming substitutes/replacements. For the avoidance of doubt, the requirement for suitably trained front-row players will be deemed to have been complied with notwithstanding that those suitably trained front-row players may have commenced the match playing in different positions.

7.5 World Rugby Law 3.15 (Rolling Substitutions) also shall apply. The number of substitutions for each Team must not exceed 12 in a Match.

7.6 The Regional Competitions Committee will have the authority to penalise a Club up to five championship points and/or impose any other sanction or sanctions defined in National Competition Rules 3.4 and 13.4 for any infringement of Regulations 7.1, 7.2, 7.4 and 7.5.

8. Referees And Touch Judges

Referees for Regional League matches shall be appointed by the home Club's local referee society. For all these Matches each of the two Clubs must provide one touch judge. Responsibility for confirmation of the Match referee shall lie with the home Club.

4.2 Should Regulation 4.1 above fail to separate Teams then the aggregate score over the league fixtures between the Teams that Season shall decide between them.

4.3 In the event that Regulations 4.1 and 4.2 cannot determine which of two Teams should be placed the higher and an issue of division title or relegation depends on their respective rankings, a play-off Match played at a neutral venue arranged by the Championship Secretary shall be necessary to decide between them.

4.4 If scores are level after 40 minutes of play each way in such play-off then extra time will be played as defined in Cup, Shield and Bowl Regulation 8 (Drawn Matches).

5. Non-Fulfilment Of Fixtures And Deduction Of League Points

If the Championship cannot be decided by these results then the differences between "points for" and "points against" in Matches between those Clubs shall be the deciding factor.

5.2 For other Premier League positions (including relegation) and in the National League divisions, in the event of Clubs being equal in league points gained, placings shall be determined ranked on a descending basis according to their respective differences between "points for" and "points against" with

the Club with the greater or greatest such difference being placed higher or highest.

5.3 Should Regulation 5.2 above fail to separate Clubs then the aggregate score over the Women's Championship fixtures between the Clubs that Season shall decide between them.

5.4 In the event that Regulations 5.2 and 5.3 cannot determine which of the Clubs should be placed higher or highest and no issue of championship-winning or promotion or relegation applies then the Clubs shall share the final League position.

5.5 In the event that Regulations 5.2 and 5.3 cannot determine which of the Clubs should be placed higher or highest and an issue of championship-winning or promotion or relegation applies, the number of Matches in which a Club has defaulted shall be taken into account with the Club having the lesser or least number of defaults being placed higher or highest.

5.6 In the event that Regulations 5.2, 5.3 and 5.5 do not determine which of two Teams should be placed the higher, a play-off Match at a neutral venue agreed by the two Teams shall be played to decide between them including, where necessary, periods of extra time of 10 minutes each way, with a one minute interval, as required (the direction of play first being decided by the toss of a coin) during which the Team which scores first shall be the winner.

6. Non-Fulfilment Of Fixtures And Deduction Of Championship Points

6.1 In the event of a Club not fulfilling a fixture on a date notified (including a Match that has been postponed or rescheduled or a Match that has had its kick-off time and/or date and/or its venue altered pursuant to the National Competition Rules), the result of that Match will be deemed to be a 0-28 (four-try) loss by that Club, with the opposition being awarded five Match Points and the defaulting Club being awarded no Match Point unless a friendly Match is played, in which case one Match Point will be awarded to the defaulting Club.

6.2 Regardless of any sanction imposed under Regulation 6.1, the Championship Committee reserves the right to apply further sanctions on the defaulting Club, including a reprimand and formal warning as to future conduct or disqualification from the relevant competition and/or forfeiture of a proportion of the Club's participation money, as appropriate.

6.3 Further sanctions may be brought against that Club in accordance with Regulations 6.4, 6.5 and 6.6 below.

6.4 In the event of a Club defaulting in accordance with Regulation 7 below, the defaulting Club must inform the Championship Secretary before or within 24 hours of the scheduled kick-off for the Match and must provide a written explanation for the default. Failure by a Club to provide the required

information may result in the matter being brought before the Championship Committee and sanctions imposed as defined in Regulations 6.2 and 6.3 above.

6.5 The Championship Committee reserves the right to relegate or disqualify any Club which, in the same Season, fails to fulfil more than one fixture in the Women's Championship.

7.4 Where a Club does not have suitably trained front-row players before the Match such that contested scrums cannot take place, the referee will order uncontested scrums in accordance with World Rugby Laws 3.6 (a) and (b). Where this occurs in any Match in the Premier League or National League Division 1, the Match shall be deemed defaulted by the team which could not field a suitably trained front row at the start of the Match, and Regulation 6 shall apply. Where this occurs in a Match in National League Division 2 or the North League or the NDL, the Match shall be deemed fulfilled if all other Regulations are adhered to.

7.5 Any match in which a Club does not comply with Regulations 7.1, 7.2 or 7.3 above shall not count as a Match, and Regulation 6 shall apply.

7.6 For the purpose of this Regulation 7, a Club may request to the Match referee a delay to the kick-off to enable it to achieve the required number of players at kick-off, where some or all of the Players have been unavoidably delayed, but no Match may be delayed by such time as would mean the Match not being able to be completed in good time, the match referee being the sole judge in this regard.

In a Cup, Bowl or Plate Match, if after 40 minutes of play each way the scores are level, there shall be an immediate period of extra time between the two teams of 10 minutes each way, with a one-minute interval. A coin should be tossed by the referee before commencement of extra time to determine direction of play. If the scores are still equal after 10 minutes each way in extra time, the team that has scored more tries (including in extra time) shall be the winner. If that still does not produce a result, the Club that has scored more conversions (including in extra time) shall be the winner. If that still does not produce a result, the team that has scored more drop goals (including in extra time) shall be the winner.

6.2. If Regulation 6.1 does not produce a result, in all rounds up to and including the semi- finals, the away Club shall go forward into the next round.

6.3. In a final or, where appropriate, any Match played at a neutral venue arranged by the Championship Committee, if Regulation 6.1 does not produce a result, there shall be further 10-minute periods of extra time as required (the direction of play being decided by the toss of a coin before the first such period of extra time) during which the team which scores first shall be the winner.

7. Postponement Or Abandonment Of Matches

7.1. When a Match is postponed or abandoned it shall be played off on the first available date free of Women's Championship league fixtures (National Competition Rule 3), and if necessary it shall be played midweek. Under normal circumstances, rescheduled Matches in Cup competitions shall take priority over rescheduled League matches although Clubs may, by mutual agreement and subject to the approval of the Championship Committee, arrange to reschedule a postponed or abandoned Cup Match on an earlier date. In the event of a dispute over the rescheduling of a postponed fixture, the Championship Committee shall have the power to arrange a date on which the fixture is to be played and also, if necessary, the venue. A Club failing to observe a direction for the playing of a fixture shall be liable to disqualification from the competition and any other sanction that the Championship Committee deems competent in terms of NCR 3.5.

7.2. For the avoidance of doubt, a Cup, Bowl or Plate fixture (except a Final) can be rescheduled only twice. In the event that a rescheduled fixture cannot be played in accordance with Regulation 7.1, the winner of the Match shall be decided by a cut of cards.

8. Non-Fulfilment Of Fixtures

Any Club not fulfilling a fixture on a date notified by the Championship Secretary may be disqualified from the tournament, including any relevant subsidiary competition for that Season.

9. Number Of Players In Matches

9.1. In the Cup competitions:

9.1.1 Clubs must start the match with 15 players, and each Club must include in its side at kick-off a suitably experienced front row.

9.1.2 If a Club competes in a Match with fewer than 15 players, subject to compliance with World Rugby Law 3.3, but with at least 12 players for the full Match, the Match shall be declared as fulfilled.

9.1.3 In the event that a Team has fewer than 15 players at the start of a match, other than in respect of any Match between two Premier League Clubs, the Teams must start the Match with an equal number of players (Player Matching). In any Match between two Premier League Clubs, Player Matching shall not apply.

9.1.4 In the event that an injury or the dismissal of a Player from the field of play (red or yellow card) results in a Club having fewer than 12 players then the Match shall be stopped at that point. Such Match shall be declared defaulted if less than 60 minutes have been played and Cup Regulation 8 shall apply. If more than 60 minutes have

been played the Match shall be declared fulfilled and the result at that point shall stand.

9.2. Where a Club does not have suitably trained front-row Players before the Match such that contested scrums cannot take place, the referee will order uncontested scrums in accordance with World Rugby Laws 3.6 (a) and (b) subject to Regulation 10.2 below. If this occurs in a Match contested by at least one National League Division 2 Club or NDL Club the Match shall be deemed fulfilled if all other Regulations are adhered to.

9.3. Any match played in which either Club does not comply with Regulation 9.1 or 9.2 shall not count as a Match. Such Match shall be declared non-fulfilled, and Regulation 8 above in relation to non-fulfilment of fixtures shall apply.

10. Replacements/Substitutes

10.1. In Matches in the Cup competitions, the maximum permitted number of replacements shall be seven.

10.2. The requirements of World Rugby Laws 3.5 (The Front Row - Replacements and Substitutes) shall apply when naming substitutes/replacements. For the avoidance of doubt, the requirement for suitably trained front-row players will be deemed to have been complied with notwithstanding that those suitably trained front-row players may have commenced the match playing in different positions.

10.3. World Rugby Law 3.15 (Rolling Substitutions) also shall apply

10.4. The Championship Committee will have the authority to disqualify a Club/Team for any infringement of Regulations 10.1, 10.2 and 10.3. Such disqualification shall apply to the competition in which the infringement occurred and also to any relevant subsidiary competition.

11. Under 19 Scrummage Law Variations

Cup Matches between Clubs in the Premier League and National League Division 1 will be played with full scrummaging per World Rugby Law 20 (except 20.13). For all other Cup Matches, the World Rugby Under 19 Variations for Law 20.1(e), 20.9(j) and (k), and 20.1(a) will apply.

12. Referees, Assistant Referees And Touch Judges

12.1. Referees for the Women's Cup competitions' matches (except the finals) shall be appointed by the home Club's local referee society. For all these matches each of the two Clubs must provide one touch judge. Responsibility for confirmation of the Match referee shall lie with the home Club.

12.2. Referees and Assistant Referees for all competition finals shall be appointed by Scottish Rugby.
